PROTECT YOURSELF FROM FRAUD

Only use Western Union for sending money to friends and family.

Do not proceed with your money transfer if you have been asked to send money:

- To an individual you have not met in person.
- For an unconfirmed emergency situation.
- For a purchase made online.
- For anti-virus protection.
- For a rental property deposit or payment.
- To claim lottery or prize winnings.
- To pay taxes.
- For a charity donation.
- For a mystery shopping assignment.
- For an employment opportunity.
- For a credit card or loan fee.
- To resolve an immigration matter.
- As payment for goods or services in response to a telemarketing sales call.

Money transfers can be paid to the receiver quickly. After the money is paid, Western Union generally cannot provide a refund - even if you are the victim of a scam.

If you believe that you are a victim of fraud, call the Western Union Fraud Hotline at 1-800-448-1492.
